

Summer Break for Some of Us!!

School is out for summer break!! But it is also a very busy time for those who work through the summer months, there is much to do to prepare our campus for another adventurous and productive school year. The summer projects are already underway!

See you in August!!

Quotable Quote:

Summer is the time of year when a parent appreciates nothing so much as a teacher's patience.

Did you Know???

The term "Dogs Days of Summer" is the name for the most sultry period of summer, from about July 3 to August 11. Named in early times by observers in countries bordering the Mediterranean, the period was reckoned as extending from 20 days before to 20 days after the conjunction of Sirius (the dog star) and the sun.
